

Teacher Qualification Disclosure Statement

Parents of registered and attending students have the right to request information regarding the professional qualifications of their student's classroom teacher(s). ThrivePoint Academy of Utah will provide, upon request, information regarding state qualification and licensing criteria, licensing status, degree and certification held, and other relevant qualifications and in a timely manner. ThrivePoint Academy of Utah may employ individuals holding LEA-specific educator licenses, license areas, or endorsements in accordance with Utah Administrative Code R277-301-7. Additional information on educator licensing can be found on the [USBE website](#).
